

The three little pigs' house

Investigate which material to use to build a house for the three little pigs.

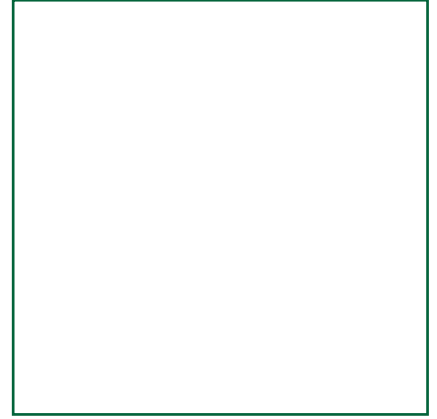

Materials I am testing:

Material: _____

Material: _____

Material: _____

Which material do you think will be the best?

Why?

Design a house using your chosen material. Label your drawing.

The three little pigs' house

Now build your house!

Test your house by blowing on it. Could the big bad wolf blow it down?

Compare your house with a partner's house. Which material was better suited for house-building?
