

What am I?

How to play:

Play a game of '20 questions':

- One player thinks of a material
- The other players take turns asking questions, such as 'Is it strong?'
- Players can either collect the correct word cards, or cross out the wrong ones
- Who will be the first to guess correctly?

strong

shiny

hard

malleable

What am I?

soft

flexible

transparent

magnetic

opaque

floats

translucent

sinks

What am I?

weak

durable

shatters
easily

rigid

bumpy

smooth

waterproof

absorbent
