## Roller ball

What you need: 2 or more players, two objects for markers and a ball or pair of rolled up socks.

## How to play:

- Place two markers 5m apart. One player begins standing next to one of the markers. They are the 'roller.' They roll the ball out in any direction and then run to the other marker and back as many times as they can.
- Each time they reach a marker they score one point.
- The other player must retrieve the ball and place it back on the start marker as quickly as possible.
- 4 turns then change over.

Who has the highest score?
